

## Directions from Newcastle Emlyn: postcode SA38 9NA

To follow these directions, get onto the A484, which is the main road from Cardigan. The route is then shown in red.

- If you approach Newcastle Emlyn from the North: just before a pedestrian crossing, take the first **right**, a very sharp right hand bend up a hill, for Capel Iwan (signposted for Newcastle Leisure Centre).
- If you approach Newcastle Emlyn from the South: follow the A484 for about three quarters of a mile. Just after a pedestrian crossing, turn **left** for Capel Iwan (signposted for Newcastle Leisure Centre).

- Keep going straight along the road to Capel Iwan.
- In Capel Iwan, turn **right** at the T junction (there will be a telephone box on your left).
  - o Drive past the graveyard and then the old school (which closed Sept 2010), both on the right.
  - o Keep on this same road, through the wood and down a steep hill.
  - o You will pass a chapel on your left, **Park Villa is the next house on your right**
  - o The Parking area is on the **left**, across the road from the house and just after the garage (green door).

### To get to Godremamog Mill:

- Carry on past Park Villa and go over the narrow stone bridge
- At the T junction, turn sharp **left**.
  - o This is a 3 point turn. This is our road (no name).
- Drive a few hundred yards and you will see **Godremamog mill on your left**.
  - o Drive past the mill and you will see the entrance to the driveway. Turn **left** into the drive and **right** into the car park (but you might like to go left up to the mill to drop your stuff off first - you can turn round at the top).

Sat Navs will get you here, but there are 3 houses with the same post code and you can't see one from the other, so this is what to do if your Sat Nav has a sense of humour and takes you to the wrong place:
